

## New York and Chicago Has Nothing On Albuquerque

We have first of the season, Southeast Texas, new crop wax beans, direct by express, fresh and brittle, pound 20c.

We were lucky, two barrels of cranberries received last evening—Nile white cauliflower, Express California lettuce, slicing tomatoes, cucumbers—Arizona and navel oranges, just did get here—four sizes.

And more of those nice large Roman Beauty apples at \$3.50 a box.

Red Emperor Grapes, Bartlett Pears.

Just a few pounds of the extra nice fruit cake left. Plum Pudding, Fard dates, Diomedea dates, first imported figs received for many a day. Extra large and very nice, lb. 50c. Of course you will come to headquarters for green or ripe olives, sweet or sour pickles.

Those Monarch extra small sweet peas and Monarch corn are just the cream of the pack.

Don't overlook the cider.

Again today our special on Chocolate Candy at 59c for a pound box.

Ben Hur Coffee—Ben Hur Tea.

## UNIVERSITY HEIGHTS DOINGS

Many of the visiting teachers took advantage of the weather yesterday and visited the Heights. They were astonished at the growth and character of homes built up there in the past year.

The first section of the new water extension throughout the western half of the Addition was completed Saturday night. Over 12,000 feet of pipe line has been laid in the last two months.

One of the business lots was sold to a well known Albuquerque merchant last week.

The building of fences across the "short cut" roadways has been a success. Delivery drivers are now keeping on the streets which adds materially to the appearance of the Addition.
